Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 31 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunny spells this evening, largely dry overnight.

This Evening and Tonight:
Cloud thinning, giving a bright but cool evening. Overnight, cloud cover becomes widespread again, but conditions remain largely dry throughout. A few isolated patches of light drizzly rain developing towards dawn. Minimum temperature 11 deg C (52 deg F).

Wednesday:
Any drizzle will soon clear through the morning, leading to another cloudy but dry day across the region. Feeling mild. Maximum temperature 19 deg C (66 deg F).

Outlook for Thursday to Saturday:
Remaining dry and settled, with variable cloud throughout this period allowing for sunny spells across the region. Feeling pleasant in the sunshine. Winds staying light.
